

In 2011, Tucson and Phoenix will be the focus of the Southern Baptist Convention's Crossover event.

**What is Crossover?**

Every year, just prior to the SBC's annual meeting, Crossover events occur in the Convention's host city. Crossover is a series of evangelistic events such as block parties, door-to-door visits, and additional innovative evangelistic efforts. This is our opportunity to join with the entire Southern Baptist family in reaching *our* community for Christ.

**When is Crossover?**

Crossover Arizona will be June 6-11, 2011. The SBC will be held in Phoenix June 14-15, 2011.

**How can I get involved?**

We are working with local churches to develop ministry teams. Ask your church leadership what they are doing to participate. You are also more than welcome to attend one of our training events.

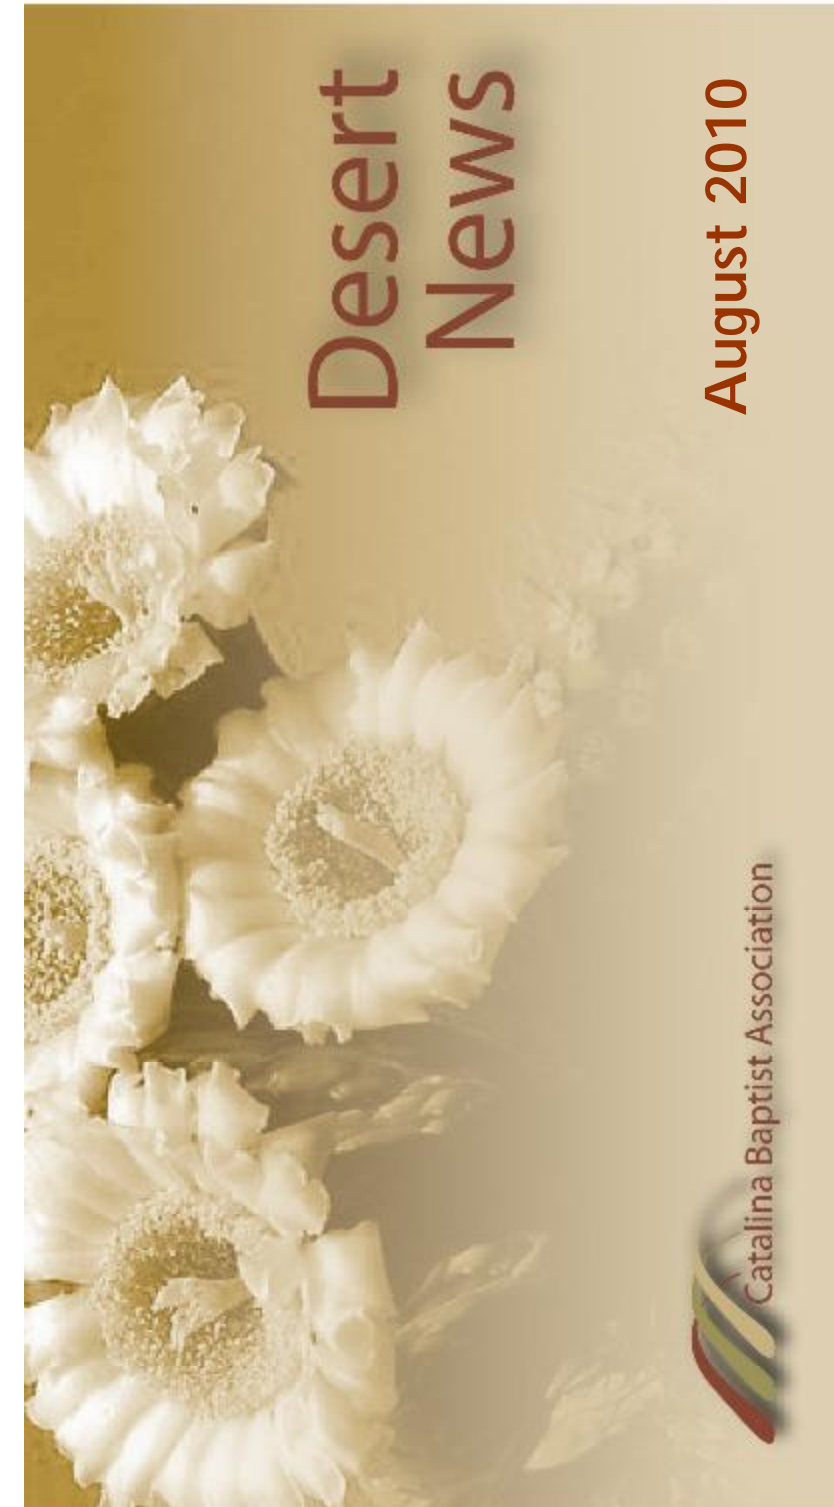

**What can I do during Crossover?**

We train! Beginning in the fall, we are hosting training seminars to help you participate in the many outreach events and community ministry in several areas of Tucson during Crossover.
